

■ Pretty Giving Co Community Outreach Program ■

Program Purpose

The Pretty Giving Co Community Outreach Program is designed to directly connect with single mothers with kids and homeless communities by bringing essentials, food, and resources to where they are — meeting immediate needs and offering hope for a brighter future.

Program Goals

- Provide consistent access to essentials such as food, hygiene products, and baby supplies.
- Build trust and lasting relationships within the community.
- Share information about local shelters, housing programs, and job resources.
- Create a supportive environment that uplifts and empowers families in crisis.

Key Services Offered During Outreach

- Essential Kits: Non-perishable food, toiletries, feminine care, and baby items.
- Hot Meal Service: Serving warm, ready-to-eat meals on-site.
- Hygiene & Wellness Supplies: Clean socks, blankets, and seasonal weather gear.
- Resource Connection: Printed and verbal information about local aid programs.

Where We Serve

- Community centers and churches
- Public parks and outdoor gathering spaces
- Shelters and transitional housing facilities
- Street-level outreach in high-need areas

How We Operate

- Partner with local businesses, churches, and donors to collect items.
- Use volunteers to pack and distribute outreach kits.
- Schedule regular outreach days (monthly or bi-monthly).
- Keep track of impact numbers for transparency (kits given, meals served, people reached).

Funding & Donations

While our 501(c)(3) status is pending, we are actively accepting donations of items and funds to make our outreach possible. Every contribution goes directly toward helping those in need.
